ORDER OF COURT

AND NOW, this 12th day of April 2017, it is hereby **Ordered** and **Decreed** that the defendant's *Motion to Reconsider Grand Jury Leak Issue* is **DENIED**. Whereas the outcome of the twenty-two issues this jurist re-inserted into the PCRA proceedings had yet to be determined, Judge Cleland already issued his ruling on this matter, and this jurist, deeming that to be the law of the case, will not reverse Judge Cleland's order.

Although the Court will not permit either party to present any testimony on the issue, either party may, on the next date of hearing, supplement the record with any certified documents, e.g., official transcripts of testimony, he or it believes are pertinent to the issue. The Court will then address the issue in a subsequent written opinion.

IT IS FURTHER ORDERED AND DECREED that the defendant's *Renewed Motion for in Camera Review of Therapy Notes by the Court and Petitioner's Expert Witness* is **DENIED**.

BY THE COURT,

Hon. John Henry Foradora, P.J.
