 - a. A copy of any reports of physical or mental examinations, or results or reports of any scientific tests or experiments made in connection with the case, and which the Defendant intends to introduce as evidence in his case-in-chief;
 - b. A copy of the report prepared by any expert witness the Defendant intends to call in his case-in-chief.
2. If an expert whom the Defendant intends to call at trial has not prepared a report otherwise discoverable under this Order by May 30, 2012, then counsel for the Defendant shall disclose to counsel for the Commonwealth the subject matter on which any expert is expected to testify in the

the Defendant's case-in-chief, together with a summary of the expert's opinion and the grounds for the opinion.
