¹ **SIGNING STATEMENT.** Undersigned counsel enters his appearance because it appears he cannot assist or advise the defendant adequately without access to protected materials and grand jury matters. Counsel is gravely concerned that the short time interval until trial will not allow adequate time for preparation by the defense, and has considered not entering his appearance to avoid being placed in an ethical dilemma of being made to go forward without adequate preparation. However counsel feels the best interest of the client mandate access to and evaluation of the protected materials, to zealously assist the defendant, and that this need outweighs the potential pitfalls of being forced to present a defense at trial prematurely.
